As a professional accountant, Lizelle Swart joined Bloemsec on 01 November 2021 as Financial Manager. Her role is mainly to oversee the financial health of the business. She has always worked in a professional environment. Lizelle loves that at Bloemsec she works in a professional environment, as well as a sense of belonging to a family. "It is great being part of a team that strives to grow and always puts the client's needs first."

I believe that hard work and dedication will bring you success and I will never back down from a challenge. "I can endure all these things through the power of the One who gives me strength" Philippians 4:13

I see the hard work that each and every employee of Bloemsec does and know that Bloemsec will just grow from strength to strength.

Integrity and honesty means everything to me and it is great being part of a team that also stands for these morals.

Finance Manager

LONG-TENURED EMPLOYEE

I've been part of the Bloemsec family for 10 years, what an experience!

As the Human Resource administrator, I encounter all new employees, their first day at Bloemsec and their last day. It's in-house humor when they return to Bloemsec, as I said, joining Bloemsec is not just a place of work but family, and family always comes back.

When everything seems to be going against you, remember that the airplane takes off against the wind, not with it.
